10th July 2026

End of Year Information

Today is the children's last day in their current classes. They have enjoyed a wonderful final week with their teachers and classmates and are looking forward to spending time in their new classes during Transition Week.

Today we also celebrated our Year 6 children in their Leavers' Assembly before they move on to secondary school. We are incredibly proud of them and wish them every success as they begin the next stage of their education.

School Uniform

From September, we will be taking a firmer approach to ensuring children wear the correct school uniform. Please ensure your child is wearing the correct uniform, including appropriate footwear.

If your child is having their ears pierced, we recommend this is done at the start of the summer holidays. Children cannot take part in PE, Outdoor Learning or after-school activity clubs whilst wearing earrings and must be able to remove them independently.

Please see the school website for full uniform requirements and further information.

New School Hours

From September, the school day will be 8:45am–3:25pm.

- Children should be ready to enter school at 8:45am.
- Arrivals after 9:00am will be marked late.
- Arrivals after 9:30am will receive an unauthorised morning absence mark.

Children not collected by 3:30pm will be taken to After School Club, where a charge will apply.

Snacks and Water Bottles

Please ensure your child brings a named water bottle to school every day.

Children moving into Year 3 will no longer receive a free morning snack, so please provide a healthy snack from home.

KS2 children can purchase healthy snacks from the tuck shop for 30p per item.

Please remember crisps and chocolate are not suitable snacks.

We are a nut-free school. Please do not send any items containing or labelled as "may contain" nuts.

Free School Meals

The criteria for **Free School Meals** is changing and existing eligibility will no longer automatically be carried forward. This means that even if your child currently receives Free School Meals, you will need to ensure that your eligibility can be re-checked. To allow us to complete this process, please update or add the legal guardian date of birth & National Insurance Number.

Arbor Consents

All parental consents for next year must be completed on the **Arbor App** by this weekend if possible. Please note that children without photo consent may not be included in displays, newsletters, the website, productions or class photographs. Please see the new consent for children bringing mobile phones into school. Parents of children entering **Years 5 and 6** must also complete the independent walking home consent on Arbor if required. We cannot accept phone or written permissions.

Arbor Communications

Thank you for your patience as we continue to transition to Arbor. Please continue to check your junk or spam folders, particularly if you use Gmail, & Google as some school emails are still being filtered.

From September, medical notifications (such as bumped heads or medication administration) will be sent via email through our new medical tracking system rather than by text message, so please check your emails daily.

Thank you for your continued support throughout the year. We wish all our families a wonderful summer break and look forward to welcoming everyone back in September for another fantastic year at Beckers Green!
